

In 1948, a group of animal lovers in Greater New Haven formed The Animal Haven, Inc., an animal shelter that temporarily houses orphaned cats and dogs until responsible, caring homes can be found for them. The shelter formally opened on December 27, 1957, at 89 Mill Rd. in North Haven, CT. In 2002, a new shelter is being built and will house 19 dogs and over 50 cats.

The Animal Haven takes in unwanted adoptable cats and dogs for a small donation. These pets get a complete health check, all vaccinations, and are sterilized. There are four **paid** kennel assistants to provide daily care for our needy friends, and one assistant lives on the premises.

The Animal Haven is self-supporting and receives no annual income from town or government sources. Funding comes from membership dues, private contributions, entry and adoption donations, and many fund raising projects. Many homeless pets **really need your help** for a second chance of life at The Animal Haven, so please donate generously.

The Animal Haven is dedicated to helping homeless animals in Greater New Haven CT.
