

Buy or Sell a House and Help your Local Animal Shelters

We can help to promote humanity and kindness to all animals.

We are working with numerous animal shelters to help prevent cruelty and to save a precious life of an animal.

We are working with numerous animal shelters to help get the message out. These shelters are run on a donation basis. Every little bit helps.

So we will be offering the following:

- **List and Sell your home with us and we will donate \$500.00 to the shelter of your choice.**
- **Buy your home with us and we will donate \$ 250.00 to the shelter of your choice.**

Together we could make a difference. Call us for a Free Market Analysis of your home, or a No Obligation Buyer Consultation.

Don't forget -- adopt a dog or cat and have a friend for life!
